

Westernport Wall Rules of the Wall

1. Get to the top without a stop gets you a brick in the wall! Do NOT stop at the top of the wall to rest, you must continue on your way.
2. If you stop on the wall or put a foot down you **MUST** release your bike to a volunteer! The volunteer will take your bike to the top of the Wall and place it on a bike rack for you to retrieve it.
3. If you do stop you **MUST** move to the grass path at the side of the wall to make your way to the top. If you try to stay on the course you will be asked/told to move to the side, this allows your competitors their fair chance at making it to the top of the wall.
4. You **MUST** stay straight on Rock St (Westernport Wall) while approaching the Westernport wall. You are NOT allowed to go off course i.e. turning right or left on a side street for any reason. If you turn left on Spruce St it is the detour route and you **MUST** continue on the detour route.
