Dear Athletes,

It is with great pleasure that I welcome you to another Smithfield Sprint Triathlon, presented by Kinetic Multisports. Located in Smithfield, VA. Finishing the race at this point is at the discretion of each athlete, but race support will no longer be provided and Kinetic Multisports holds no responsibility for athlete safety after this point.

Transition Area

Triathletes may enter the transition area at 8:00am. All bikes must be racked 15-minutes before the start of the first swimmer (9:45am). Bike racks are numbered, and triathletes must put their bicycles and gear on their designated rack.

Each rack holds 6 bikes, with positions on racks being based on a first come, first serve basis. To the right is an example of how your transition area should be organized. Please be courteous of the space and belongings of other racers before, during, and after the race.

Transition Security: Please note that once your race is over, many others are still racing. We will be allowing athletes into the transition area to get their bikes and other gear when possible. Be considerate of others still racing.

Body Marking

After racking your bike, proceed to the body marking area located near the Packet Pick Up & Transition Area. (marked by a tear drop flag). Triathletes must be marked at least 30 minutes before the race and must bring their bib number for verification. **You MUST have your BIB to get body marked!**

Race Numbers

Each athlete will receive three race numbers:

1. The smallest number (sticky) must be worn on the front of the cycling helmet.
2. The number with 4 holes is to be worn on the front of the body during the run and when crossing the finish line.
3. The number with 2 numbers together is to be folded over the top tube or seat post of your bicycle. It is self-adhesive.

Please refer to the Kinetic Multisports website under Novice Athletes for more information on number placement.

Timing Chips

Please be aware of the following procedures to insure successful timing of your event:

- All participants will receive their ChampionChip on Race Morning at the Chip Pick-Up Tent. You are **REQUIRED** to show your paper bib number in order to receive your timing chip. Body marking is **NOT** an acceptable Bib number!
- Along with the timing chip participants will receive a neoprene chip strap. It is **REQUIRED** that all participants wear the timing chip on their **LEFT** ankle as shown.
- **You MUST RETURN YOUR CHIP at the finish line. Athletes who lose their Chip or fail to return the chip after the race will be assessed a \$30 charge!**
- IF YOU ARE NOT ABLE TO FINISH ANY LEG OF THE RACE YOU MUST TURN IN YOUR TIMING CHIP BEFORE CROSSING OVER ANY ADDITIONAL TIMING MATS. IN THIS EVENT TAKE YOUR TIMING CHIP TO THE TIMING CHIP COLLECTION AREA NEAR THE FINISH LINE AND INFORM THEM OF YOUR DECISION.

Swim – 300 meters

Official swim start times will be posted on the website 48hrs before the event, at packet-pickup and on race-day.

- The swim diagram is posted on the [Smithfield Sprint](#) race page of the Kinetic Multisports website.
- Swim caps are not provided or required for pool sprint triathlons.
- Be prepared to line up for the swim start a minimum of 10 minutes before your starting time.
- Official swim start times will be posted on the event website 48hrs in advance and will also be posted at packet-pickup.
- Pool swim triathlons have become an important part of the triathlon scene in recent years. Pool swim races allow us to begin the triathlon season earlier than normal, and allow us to utilize venues that have no open water options. In 2020 our pool swim will now be self-seeding on the pool deck. We will have signs with an estimated 100 yd time to assist with the seeding on the pool deck. At the race, participants begin the swim in a self-seeded order, one person at a time. Normally, participants begin approximately every 10 seconds. We will have a staff member at the start on the pool deck to assist with the spacing in between. Participants will “snake” their way across the pool – down and back in each lane – covering the required distance when they exit the pool. Your start time will be determined when you cross the timing mat at the edge of the pool. Passing Etiquette: If you need to pass someone, just lightly touch their toes. The athlete being passed can pause 1-2 seconds at the wall allowing you to pass them. Pool swim triathlons are not a contact sport, be respectful.
- Walking/Resting in the Pool: If you are short of breath, feel free to pause at the end of a lane and hold onto the wall. If you need to walk in the shallow end, please do so. There is no penalty for resting or walking in the pool.

Bike – 10 miles

- The bike course map is posted on the [Smithfield Sprint](#) race page of the Kinetic Multisports website.
- The course will be marked with orange spray chalk arrows and Yellow signs with arrows at all the turns. The bike will also be marked with signs every 5 miles.
- Though there will be police presence on the course for your safety, the course is still open to traffic please BE ALERT and BE CAREFUL! We will have volunteers at all of the critical points on the course and Police Officers at the major intersections on the bike course.
- Volunteers will be at all corners wearing bright yellow shirts and orange vests, holding orange flags.
- It is highly recommended you pre-ride or pre-drive the course. Knowing the course is ultimately YOUR responsibility.

Rules & Etiquette

- You MUST wait to mount your bike until AFTER you cross the mounting line outside of transition. Likewise, you MUST dismount your bike BEFORE crossing the line at the end of the bike.

- No drafting, no headphones/iPods/radios. USAT officials will be on the course and penalties will be assessed (see previous section on USAT rules).
- Hard shell helmets must be worn and must be fastened before mounting your bike outside the transition area. Failure to fasten your helmet results in an automatic DQ.
- Stay to the right to allow faster cyclists to pass on the left and obey the yellow line rule.
- Crossing the yellow line is an automatic DQ.

Run – 5K

- The run course map is also posted on the [Smithfield Sprint](#) race page of the Kinetic Multisports website.
- The run course is an out and back course and is on the road.
- Aid stations will be located approximately every mile on the run.

Rules & Etiquette

- No headphones, earphones or any radio-type devices will be allowed.
- You **MUST** have your run bib number on your **FRONT** as you approach the finish line.
- Please be sure to return your timing chip to designated volunteers after crossing the finish line...CONGRATULATIONS YOU DID IT!
