

Pleasants Landing Triathlon Parking

Please carpool! We can park cars for about 500 athletes inside the marina proper. Once this lot fills or the race starts (whichever happens first) athletes and spectators will be routed to Back Up Parking Area #1 noted above. Area #1 is a ¼ walk from the marina. Please share this document with anyone coming separately to watch the event.

Parking is NOT ALLOWED on the shoulder of any road in the immediate vicinity of the race site, use the back up lots!

***Cars parked on the shoulder are subject to having their car towed at their own expense!**
