

Dear Athlete,

It is with great pleasure that we welcome you to the Lums Pond Triathlon. Located just off the I-95 in Bear, DE in beautiful Lums Pond State Park, this is a fast and flat course!

The sport of triathlon is a challenging endeavor, and we know you have worked hard to stay healthy and physically fit in the months leading up to this event. Oftentimes, just getting to the starting line is a success in and of itself! We value your dedication to training and the time and effort you put into being able to swim-bike-run with us. Our mission is to put on safe, fun races in beautiful venues. We appreciate you racing with us and hope you achieve your athletic goals.

Racing in 2021 has been different, especially our early season races. As always, we are committed to providing safe, fun multisport events with athlete and community safety as our #1 priority. Please review the following pages of our athlete guide and read the emails we send you; these are all key to a safe, fun, and successful race. As you race this weekend, be sure to thank the Police, Park staff and volunteers for supporting the sport we love and hosting us in their community. We truly cannot do what we do without their help!

See you on the starting line!
