

Dear Athletes,

Welcome to the North East Triathlon! We are thrilled to have you racing with us this weekend and can't wait to see you on the starting line. We know you have worked hard to stay healthy and physically fit in the months leading up to this event. Oftentimes, just getting to the starting line is a success in and of itself! We value your dedication to training and the time and effort you put into being able to swim-bike-run with us. We appreciate you racing with us and hope you achieve your athletic goals.

Racing in 2021 has been different, especially our early season races. As always, we are committed to providing safe, fun multisport events with athlete and community safety as our #1 priority. Please review the following pages of our athlete guide and read the emails we send you; these are all key to a safe, fun, and successful race. As you race this weekend, be sure to thank the Police, EMS and volunteers for supporting the sport we love and hosting us in their community. We truly cannot do what we do without their help!

On behalf of Kinetic Multisports and the Town of North East, we look forward to seeing you on the starting line!

Transition Area

All bikes must be racked 15-minutes before the start of the first swimmer. Bike racking is first come, first serve with each 10' rack holding 3 bikes per side.

Each rack holds 6 bikes, with positions on racks being based on a first come, first serve basis. To the right is an example of how your transition area should be organized. Please be courteous of the space and belongings of other racers before, during, and after the race.

Please note that once your race is over, many others are still racing. We will be allowing athletes into the transition area to get their bikes and other gear when possible. Please be considerate of others still racing.

Aquabike

If you are racing in the Aquabike Category we will have a separate finish line for you near the Transition Area. Look for the **"AQUABIKE FINISH"** tent near the **"BIKE IN"** tent at the transition area.

Race Numbers

Race Numbers: Each athlete will receive three (3) race numbers...

1. The smallest number (sticky) must be worn on the front of the cycling helmet.
2. The number with 2 numbers together is to be folded over the top tube or seat post of your bicycle. It is self-adhesive.
3. The number with 4 holes is to be worn on the front of the body during the run and when crossing the finish line, we have safety pins or you can purchase a Kinetic race belt for \$10.

Please refer to the Kinetic Multisports website under Novice Athletes for more information on number placement.

Timing Chips

Timing Chips: Each athlete will receive their timing chip at athlete check in, we *highly recommend* putting it on immediately.

1. Do not lose your timing chip and be sure to return it at the finish line. There is a \$30 replacement fee if you lose or otherwise fail to return your chip.
2. We recommend the left ankle, non-chainring side.
3. Timing Mats: If you want splits, you need to cross the timing mats when you race!
4. If you drop out of the race, bring your timing chip to the finish line and inform our volunteers of your decision.

Body Marking

After racking your bike, proceed to the body marking area located near the Packet Pick Up & Transition Area. Triathletes must be marked at least 30 minutes before the race and must bring their bib number for verification. **You MUST have your BIB to get body marked!**
