

**Giant Acorn Triathlon Olympic Swim Course\_1500 Meters**

*If for whatever reason you do not finish the swim it is mandatory that you immediately check in at the finish line tent and report that you DNF'd the swim.*

### Giant Acorn Triathlon Olympic Bike Course\_24.6 Miles

**Course Notes:** This course is open to traffic, please ride safely to the right as much as possible. There will be traffic control at key intersections along the course and volunteers at all intersections. It is your responsibility to know the course. USAT bike course rules will be enforced.

### **Giant Acorn Triathlon Olympic Bike Course Cue Sheet**

<b>Mileage</b>	<b>Notes</b>
0.0	Mount bike after line and proceed to park entrance
2.6	Turn Left on Lawyers Road
4.8	Turn Right on Lawyers Road
8.9	Turn Left on Tatum Road
14.5	Turn Left on Orange Springs Road
17.8	Turn Right on Belmont
18.2	Turn Left on Jones Powell
20.8	Watch for Half athletes merging back into course
22.0	Turn Right back into park
24.6	Dismount bike before the line, run bike to transition area

**Giant Acorn Triathlon Olympic Run Course\_6.2 Miles**

**Course Notes:** This course is all inside the state park on paved roads and jogging paths. The Olympic course is 2 loops of the Sprint course. There is a good uphill coming out of transition and a good downhill coming down to the finish line. As you start the 2<sup>nd</sup> lap you will run past the finish line, you are at the 5K point. Do another lap and as you finish your second lap you will turn Right into the finish line. There will be water at least every mile. Be swift!
