

Welcome to the Pleasants Landing Triathlon,

We are excited to host you for a fun day of multisport adventure. With a beautiful swim, rolling courses and great views, Pleasants Landing never disappoints!

As you get ready for race day, please take a moment to review the following pages of our athlete guide and read the emails we send you. These are all key to a safe, fun, and successful race! We know you have worked hard to stay healthy and physically fit in the months leading up to this event. We appreciate you racing with us and hope you achieve your athletic goals.

This race would not be possible without the great folks at Pleasants Landing, Louisa County and the entire Lake Anna Community. This is a team effort, and we cannot do these races without them. So, as you race this weekend, be sure to thank the Police, EMT's and volunteers for supporting the sport we love.

We look forward to seeing you on the starting line!

Water Safety

Wetsuit Rules

Kinetic Multisports abides by USAT cutoffs concerning water temperature and wetsuit eligibility:

- 78° F or below: Wetsuits ARE Allowed
- 78.1° F to 83.9° F: Participants may wear a wetsuit at their own discretion; however, wearing a wetsuit in this temperature range will mean that the athletes are ineligible for awards. Results for athletes that wear wetsuits in this temperature range will be listed separately from standard Overall Results
- 84°F and above: wetsuits are NOT permitted—this is for your own safety.

Water Temperature

The preliminary water temperature will be posted on the Kinetic Multisports Facebook/Instagram page 48 hours before race start. The "Official" water temperature reading to determine wetsuit eligibility will be taken by the USAT official race morning and announced when packet pick up opens.

- The swim course map is posted on the Kinetic Multisports website.
- It is a rectangular course with 3 right hand turns. Boat ramp in, stairs out.

- Lifeguards and rescue craft will be available throughout the swim for emergency assistance. If you need assistance, roll on your back (float) and wave your hand in the air to signal for assistance. If you do not finish the swim, please notify our staff at the swim exit.
- You may briefly rest by holding onto safety kayaks; kayakers cannot provide forward assist.
- Water safety does not make up for a lack of training in open water swimming.

If for whatever reason you do not finish the swim, please notify our staff at the swim exit and return your timing chip to the finish line.
