USA Triathlon Maryland State Championships

MARYLAND

STATE CHAMPIONSHIPS

AGE GROUP + HIGH SCHOOL

We are honored to host the 2023 USA Triathlon Maryland State Championships at the Rock Hall Triathlon Festival!

Qualifying for the Toyota Age Group National Championships. State championships will qualify the top 35% or top five (5) finishers in an age group (whichever is greater). You may only qualify for Olympic-distance Nationals by placing in the Olympic distance State Championship race or Sprint Nationals by placing in the sprint distance State Championship race.

High School State Championships Exemption: All high school athletes who finish any of the State High School Championships will automatically qualify for Sprint-distance (pending they are at least age 15 as of December 31, 2023)

Any state championship that occurs after June 1, 2023 will qualify for BOTH 2023 AND 2024 Toyota Age Group Nationals. The qualification criteria for 2023 Age Group Nationals are subject to change from what it is for 2022. Click here to review the full 2023 qualification criteria for Toyota Age Group Nationals. Athletes do not have to be a resident of a state to win that state's championship. Any age group athlete competing in an age group division is eligible to win any state championship.

Course Cut-Off Times

Athletes competing in this triathlon must finish the swim-bike-run segments within the cumulative cut off times published below. Participants arriving in transition after these times will need to turn in their timing chip and will not be allowed to start the following segment.

Olympic Triathlon/Aquabike:

Athletes have 4 hours to complete the entire event. Cumulative cut-offs will be:

Swim: 1 hour | Bike: 3 hours | Run/Finish: 4 hours

Sprint Triathlon/Aquabike:

Transition Area

Triathletes may enter the transition area during posted packet pick up times. All bikes must be racked and transition preparation completed 15-minutes before the start of the first swimmer. There is no overnight racking and please, athletes only in transition.

Bike racking is first come, first serve with each 10' section of bike rack holding 6 bikes (3 per side). Please be courteous of the space and belongings of other racers before, during, and after the race.

Not that once your race is over, many others are still racing and we want everyone to have the best race experience possible. Please be considerate of others still racing when gathering your gear and exiting the race site/transition area.

Race Numbers

Race Numbers: Each athlete will receive three (3) race numbers...

- 1. Helmet # The smallest # sticker goes on the front of your cycling helmet.
- 2. Bike # The largest sticker has your race # on it twice. Peel off the back and fold it over your bike's top tube or seat post. Be sure to leave it on there for your next group ride...
- 3. Run # The Tyvek bib # with a small in each corner is your run #. Worn facing forward on the run course only. Safety pins are available for free, Kinetic race belts are \$10 in the store.

Please refer to the Kinetic Multisports website under Novice Athletes for more information on number placement.

Timing Chips

Timing Chips: Each athlete will receive their timing chip at athlete check in, we highly recommend putting it on immediately.

- 1. Timing chips are expensive and difficult to replace.
- 2. There is a \$50 replacement fee if you lose or otherwise fail to return your chip.
- 3. We recommend the left ankle, non-chainring side.
- 4. Split points are noted by yellow cones and located throughout the event, be sure to cross them so can get splits!
- 5. If you DNF, please return your chip to the finish line.

Body Marking

Be sure to get a body marked race morning. We recommend racking your bike first, then circling back with your bib # to the body marking area just outside of transition. You'll get #'s on both shoulders, both quads and left hand along with your USAT Age or Category on your calf. (Bring your BIB # to get body marked!)
