Bike racking is first come, first serve with each 10' section of bike rack holding 6 bikes (3 per side). Please be courteous of the space and belongings of other racers before, during, and after the race.

Please note that once your race is over, many others are still racing. We will be allowing athletes into the transition area to get their bikes and other gear when possible. Please be considerate of others still racing.

Race Numbers

Race Numbers: Each athlete will receive three (3) race numbers...

1. The smallest number (sticky) must be worn on the front of the cycling helmet.
2. The number with 2 numbers together is to be folded over the top tube or seat post of your bicycle. It is self-adhesive.
3. The number with 4 holes is to be worn on the front of the body during the run and when crossing the finish line, we have safety pins or you can purchase a Kinetic race belt for \$10.

Please refer to the Kinetic Multisports website under Novice Athletes for more information on number placement.

Timing Chips

Timing Chips: Each athlete will receive their timing chip at athlete check in, *we highly recommend putting it on immediately.*

1. Do not lose your timing chip and be sure to return it at the finish line. There is a \$50 replacement fee if you lose or otherwise fail to return your chip.
2. We recommend the left ankle, non-chainring side.
3. Split points are noted by yellow cones and located throughout the event, be sure to cross them so can get splits!
4. If you need to stop racing, please stop by the finish line to return your chip and let our team know.

Body Marking

Be sure to get a body marked race morning. We recommend racking your bike first, then circling back with your bib # to the body marking area just outside of transition. You'll get #'s on both shoulders, both quads and left hand along with your USAT Age or Category on your calf. **(Bring your BIB # to get body marked!)**
