Race Numbers

Race Numbers: Each athlete will receive three (3) race numbers...

1. The smallest number (sticky) must be worn on the front of the cycling helmet.
2. The number with 2 numbers together is to be folded over the top tube or seat post of your bicycle. It is self-adhesive.
3. The number with 4 holes is to be worn on the front of the body during the run and when crossing the finish line, we have safety pins or you can purchase a Kinetic race belt for \$10.

Please refer to the Kinetic Multisports website under Novice Athletes for more information on number placement.

Timing Chips

Timing Chips: Each athlete will receive their timing chip at athlete check in, *we highly recommend putting it on immediately.*

1. Do not lose your timing chip and be sure to return it at the finish line. There is a \$50 replacement fee if you lose or otherwise fail to return your chip.
2. We recommend the left ankle, non-chainring side.
3. Split points are noted by yellow cones and located throughout the event, be sure to cross them so can get splits!

Bike

- The bike course map is posted on the Kinetic Multisports website.
- Knowing the course is ultimately YOUR responsibility, there is no substitute for pre-driving or pre-riding the course
- The course will be marked with yellow duct tape arrows and yellow directional signs at all turns with mileage signs in 5-mile increments.

- Hard shell helmets must be securely on and fastened before mounting your bike outside the transition area. Failure to fasten your helmet results in an automatic DQ.
