

Dear Athletes,

On behalf of Virginia Amateur Sports, Smith Mountain Lake State Park and Kinetic Multisports, welcome to the Smith Mountain Lake Triathlon Presented by Charlene Jones REMAX Lakefront Realty.

As you get ready for race day, please take a moment to review the following pages of our athlete guide and read the emails we send you. These are all key to a safe, fun, and successful race! We know you have worked hard to stay healthy and physically fit in the months leading up to this event. We appreciate you racing with us and hope you achieve your athletic goals.

This race would not be possible without the great folks at Smith Mountain Lake State Park and the entire Community. This is a team effort, and we cannot do these races without them. So, as you race this weekend, be sure to thank the Police, EMT's and volunteers for supporting the sport we love.

You can find links to your virtual goody bag [HERE!](#)

We look forward to seeing you on the starting line!

Triathletes may enter the transition area starting at 7:00am. Rack space is available on a first come, first serve basis. Each 10' section of rack will hold 3 bikes per side for a total of 6 bikes. Be a good neighbor in transition and be mindful of those who are still racing!

2. We recommend the left ankle, non-chainring side.
3. Timing Mats: If you want splits, you need to cross the timing mats when you race!
1. If you drop out of the race for any reason, bring your timing chip to the finish line and let our timing team know.

## Swim

- The swim course map is posted on the Kinetic Multisports website.
- It is a beach start and beach finish with a short set of stairs to leave the beach.
- The official water temp will be taken race morning and communicated by 8:00am. A preliminary reading taken and communicated via email and our Facebook page Friday morning. We expect a wetsuit legal event, just how wetsuit legal is TBD...
- The swim is a time trial start, 1-2 at a time every couple seconds. So, pick a buddy and race hard!
- Water safety will be available throughout the swim for emergency assistance. If you need assistance, roll on your back (float) and wave your hand in the air to signal for assistance. You may hang onto a kayak to catch your breath; kayakers may not pull you through the course. There are no lane lines, and you cannot see nor touch the bottom.
- Water safety does not make up for a lack of training in open water swimming.
- If for whatever reason you do not finish the swim, please notify our staff at the swim exit and return your timing chip to the finish line.

## Bike

- The bike course map is posted on the Kinetic Multisports website.
- The course will be marked with yellow duct tape arrows and yellow directional signs at all turns with mileage signs in 5-mile increments.

- Volunteers will be at all corners wearing bright yellow shirts and orange vests, holding orange flags.
- It is highly recommended you pre-ride or pre-drive the course. Knowing the course is ultimately YOUR responsibility.
- It is also highly recommended that you bring a spare tube, CO2 cartridge and tire levers as well as the ability to change a flat tire on course. We'll have a SAG wagon, but it can sometimes take a bit to get to you.

### *Rules & Etiquette*

- You MUST wait to mount your bike until AFTER you cross the mounting line outside of transition. Likewise, you MUST dismount your bike BEFORE crossing the line at the end of the bike.
- No drafting, no headphones/iPods/radios. USAT officials will be on the course and penalties will be assessed (see previous section on USAT rules).
- Hard shell helmets must be worn and must be fastened before mounting your bike outside the transition area. Failure to fasten your helmet results in an automatic DQ.
